PowerSchool Parent Portal Sign Up

PowerSchool, our online student information system, provides access to your student's current grades and attendance through the internet. You will also be able to contact teachers through their e-mail using this system.

You will need the following information which can be obtained from the school office.

1. Parent Access ID
2. Parent Access Passcode

The website location is: <https://ps.nwschools.org/public>

If you are creating your account for the first time, please do the following:

1. Click Create Account
2. Enter your information at the top
3. Enter Student's First and Last Name:
4. Enter the Access ID:
5. Enter the Access Password:
6. Choose your Relationship to your student

If you have more than one student attending within the district please repeat steps 3-6 at this time. Otherwise, when completed please click the Enter icon at the bottom right.

Now enter with the new username and password that you created in the first section in step 2 listed above.

If you have other students within the district, and have received a letter with their Access ID and password, follow these instructions once you receive this information:

1. Login to your parent portal account.
2. Click Account Preferences, followed by the Students tab on the left.
3. Click the Add button. Enter the information from the letter just as you did above. (This is not your student's login credentials.)

If you have any problems, please contact the school office.

Thanks,

Matt Collins
