RE: NW Childcare Center- Closure

Good Morning Mountie Nation:

At Northwest Community Schools, the health, safety and well-being of our students and staff are our top priorities. Thank you for your patience and understanding as we continue to navigate this rare and evolving situation.

With new information emerging daily, we have had to reevaluate the decision to keep NW Childcare Center open during these challenging times.

Based on the information to date, I have made the decision to close NW Childcare Center starting Monday, March 23, 2020. Childcare will remain open for the remainder of this week including Friday, March 20th for those who have signed up for emergency childcare services. This allows parents time to make arrangements for childcare elsewhere.

With the information that we have today, childcare will remain closed from March 23rd through April 5th. However, this situation is changing rapidly and may change the reopening timeline. We will communicate any changes as new information is available.

Again, thank you for your understanding and patience during these trying times.

We are...Northwest!
Go Mounties!
