

Northwest Community Schools Yearbook Information

ALL of our yearbooks are STILL PUBLISHING this school year!

Northwest High School- contact Miss Marnie Hade

The Yearbook Staff is working diligently to continue to cover your year. As always, the high school book is scheduled for a fall delivery. Fall delivery allows students to have their whole year covered in one book.

Miss Hade and the Yearbook Staff members are reaching out to students in a variety of ways for coverage in the yearbook. Watch your social media, your email and your grade's Google classrooms. Please contact Miss Hade at marnie.hade@nwschools.org if you want to share ideas or photos.
