RE: Northwest Food Service Update.

Greetings Mountie Nation,

Once again, thank you for your patience and understanding as we continue to navigate this rare and evolving situation.

We are happy to announce that the Northwest Food Service will be continuing the free breakfast/lunch program through April 3, 2020.

- Northwest Childcare and Northwest Early Elementary will be pick up sites for the cold “to-go box” breakfast and lunches that will be prepared and are similar to our Summer Food Program.
- Food can be picked up at either site between 9-11 a.m daily.
- The food will be distributed to students/parents at the main building doors. Students can then take the meals offsite to eat.
- We are encouraging community members who are able to pick up more meals for your communities and distribute them, to do so.
- Children do not need to be present to pick up meals.

The Mountie spirit is truly appreciated in our community during these challenging times.

We are...Northwest!
Go Mounties!
