

# NWCS Powerschool Parent Portal

## Creating a Powerschool Parent Portal Account

PowerSchool, our online student information system, provides access to your student's current grades and attendance through the internet. You will also be able to contact teachers through their e-mail using this system. You will need the following information:

The website location is: <https://ps.nwschools.org>

If you are creating your account for the first time, please do the following:

1. Click Create Account
2. Enter your information at the top
3. Enter Student's name:
4. Enter the Access ID
5. Enter the Access Password
6. Choose your Relationship to your student

If you have more than one student attending within the district please repeat steps 3-6 at this time. Otherwise, when completed please click the Enter icon at the bottom right. Now enter with the new username and password that you created in the first section in step 2 listed above.

If you don't know or have not received your Access ID and Access Password, please submit a ticket on our website at [nwschools.org](https://ps.nwschools.org) or scan the QR code below.
