

GET AND STAY CONNECTED

nwschools.org

The NWCS website is the best resource for news, facts and general information about the school district and individual buildings.

Facebook

With more than 10,000 followers the NWCS Facebook keeps parents up to date on school district news, photos and videos. Follow us at: www.facebook.com/nwschools

Building Websites

Each building website features helpful information! Be sure to bookmark your building pages and check back often for announcements.

PowerSchool Portal

NWCS communicates via text, phone and email! Make sure that parent contact is up to date in PowerSchool Portal to get alerts and updates from the district.

Parent/guardians must create their own account in PowerSchool sign forms, change contact information and view student specific information. Visit www.nwschools.org for more information.

DocHub

NWCS will send forms through DocHub for electronic signatures. Parents will be required to create an account to sign electronic documents. Don't forget your login information!

NWCS Mobile App

Put school information in the palm of your hand with the NWCS mobile app available on the Apple App Store and Google Play. Calendars, menus, athletics and more! Parents will have separate logins for this app to receive student specific information.

Twitter

Twitter is the fastest way to get breaking news and announcements such as bad weather closings. Many schools and departments also maintain a twitter feed to share news! Follow us @nwschools

Instagram

Do you want to see photos from the day to day activities inside Mountie Nation? Follow us on Instagram @mountienation

Learning Platforms

NWCS utilizes SeeSaw and Schoology as our Learning Management Platforms. **Parents will be given parent login information to these platforms** to view their students work, communicate with the teachers, and much more!
