The Nurtured Heart Approach® is a relationship-focused method founded strategically in 3 Stands™ for helping children (and adults) build their Inner Wealth® and use their intensity in successful ways. It has become a powerful way of awakening the inherent greatness in all children while facilitating parenting and classroom success.

**THE 3 STANDS**

**Stand One:** Absolutely No! I refuse to energize negative behavior.

**Stand Two:** Absolutely Yes! I will relentlessly energize the positive.

**Stand Three:** Absolute Clarity! I will maintain total clarity about rules that demonstrate fair & consistent boundaries.

In our attempt to help all students have a healthy, safe, and nurturing environment at Northwest Elementary, our Coordinated School Health Committee has provided an overview of the Nurtured Heart Approach. We will be providing monthly ideas for your consideration. These are the same concepts that are being used by our staff at Northwest Elementary.

We appreciate your efforts to partner with us to make Northwest Elementary a nurturing community.
