Using Self-Control

Following Directions

Patient

Honest

Reason Lunch Success Session was issued: (completed by teacher) Talking Being Disruptive Off Task Hands On

Disrespectful Did Not Reset Not Being Responsible **DESCRIPTION:** _____

*Use back of sheet if needed.

Time to Think: (What I did; How I fixed it; Next time, I will)

Your child was sent to Lunch Success Session today. During this time, students sit with me during lunch and fill out a School Success Plan. We talk about what happened, what would be a better choice, and how they will handle the situation in the future. The children normally apologize to the person involved and/or the teacher for disrupting the learning environment. Part of the learning process is to share what happened with their parent and to be responsible for their behavior by returning this slip the next day. Please talk to your child regarding this incident. Your reinforcement of good choices is valuable. Please return this slip by tomorrow with your signatures to let me know you have discussed this. Thanks for your support!
