## MEDIA RELEASE- November 5, 2020

We have been notified today of a positive COVID-19 student at NWHS. The Jackson County Health Department (JCHD) and district protocols are being followed to ensure the health and safety of our students and staff.

The individual **has not** been in the building for seven days, therefore it is the recommendation of the JCHD that students and staff continue to self monitor for symptoms per our normal protocol. No other building in NWCS has been affected. Individuals who are considered close contacts because of this case will be or have been contacted by the NW Administration. If you have not been contacted and identified as a close contact you do NOT need to quarantine.

Please continue to assess your student's health before coming to school each day. If your student develops COVID-19 symptoms, please keep them home and contact your healthcare provider. Please call our NWCS COVID-19 Hotline (517-817-4974) if your student is awaiting COVID-19 test results, tested positive, or has had direct contact with a confirmed COVID-19 case.

Per privacy guidelines, no additional information can be shared regarding the COVID-19-positive individual. If you have any questions or concerns, please contact the Jackson County Health Department at 517-768-1664.
