We are...Northwest! Go Mounties!

MEDIA RELEASE- November 10, 2020

We have been notified of two positive COVID-19 cases involving students at NWHHS and NWHMS. The Jackson County Health Department (JCHD) and district protocols are being followed to ensure the health and safety of our students and staff.

The COVID-19 positive individuals have not been physically present in either building. Therefore, it is the recommendation of the JCHD that students and staff continue to self monitor for symptoms per our normal protocol. **All school districts in Michigan are required to notify staff, students, parents/guardians and the community of any "school associated" positive cases. "School associated" includes virtual, F2F students and all staff members.**

Please continue to assess your student's health before coming to school each day. If your student develops COVID-19 symptoms, please keep them home and contact your healthcare provider. Please call our NWCS COVID-19 Hotline (517-817-4974) if your student is awaiting COVID-19 test results, tested positive, or has had direct contact with a confirmed COVID-19 case.

Per privacy guidelines, no additional information can be shared regarding the COVID-19-positive individual. If you have any questions or concerns, please contact the Jackson County Health Department at 517-768-1664.
