We are...Northwest! Go Mounties!

February 22, 2021

Dear NWHS Parents/Guardians,

Northwest Community Schools has been notified of a positive COVID-19 case involving a student at NWHS. The Jackson County Health Department (JCHD) and District protocols are being followed to ensure the health and safety of our students and staff.

The COVID-19 individual was last in the building on Friday, February 19, 2021. Those who are close contacts of the positive individual have been notified by NW Administration. If you have not been contacted, your student does **NOT** need to quarantine.

Please continue to assess your student's health before coming to school each day. If your student develops COVID-19 symptoms, please keep them home and contact your healthcare provider. Please call our NWCS COVID-19 Hotline (517-817-4974) if your student is awaiting COVID-19 test results, tested positive, or has had direct contact with a confirmed COVID-19 case.

Per privacy guidelines, no additional information can be shared regarding the COVID-19-positive individuals. If you have any questions or concerns, please contact the Jackson County Health Department at 517-768-1664.

We truly appreciate your patience and understanding.
